The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments: I urge:

- 1) no new storage thru stage 1
- 2) heavy emphasis on proven  
conservation techniques ~~for~~ as a  
means of increasing available  
water supply
- 3) focus on water quality & safe habitat
- 4) responsible groundwater management  
Before any transfers
